

# Change Management

## Seeing Change Through

Once the decision has been made you must see the change through. Change is a complicated process that can often encounter obstacles along the way. This module explores the roadblocks to change and how to overcome them. We will look at dealing with criticism, dealing with stress, why change fails and the benefits of continuous change.

## In this Module

Videoscribe explainer video, with professional audio (duration: 02:30)

English Subtitles

5 Expanded learning content blocks in the module format

'Check my understanding'  
5 Question knowledge check

## Top Tips

1. The four main roadblocks to change are forecasts falling short, roads curving, momentum slowing and critics emerging.
2. As a change leader you must deal with criticism.
3. Continuous change is beneficial for organisations who want to become more effective.
