

Data Protection

Lawful Basis for Processing

Under GDPR, organisations must demonstrate that they have a valid lawful basis before they can process an individual's personal data. This module explores the different types of data and the requirements set out for each.

Videoscribe explainer video, with professional audio (duration: 01:39)

English Subtitles

6 Expanded learning content blocks in the module format

'Check my understanding'
5 Question knowledge check

Top Tips

1. Establish and document your lawful basis for processing.
2. Under GDPR there are 6 lawful bases for processing, select the one that's appropriate for your purpose and connection with the individual.
3. To help determine the lawful basis for processing you could complete an LIA, Legitimate Interest Assessment.
