

Teamwork

Working in Teams

This module looks at the different types of teams, both short-term and long-term. For the best chance of success teams should set clear, defined objectives, this module explores the SMART method. The key element to a team's success is motivation, here we will look at the different types of motivation and how you can motivate your team to achieve its objectives.

In this Module

Videoscribe explainer video, with professional audio (duration: 03:05)

English Subtitles

5 Expanded learning content blocks in the module format

'Check my understanding'
5 Question knowledge check

Top Tips

1. A team can achieve more together than its members can alone.
2. Set clear, defined objectives using the SMART method.
3. The more motivated the team, the more it's likely to achieve.
