

Management & Leadership Module

Project Management

This module looks at the difference between project management and day-to-day management. Planning a project can often feel like a complex, overwhelming process. This module aims to simplify the task by breaking the project down into six stages. We will look at some techniques to help you both look at the 'big picture' and focus in on the details.

Top Tips

1. Start by writing a project brief that outlines the purpose, aims and objectives.
2. Conduct a mind-mapping session to encourage free-thinking and creative ideas.
3. Once complete, the project should be reviewed so lessons can be learnt.
