Inducting A New Team Member

The induction process is an opportunity to welcome new employees, ensuring they have the knowledge and support required to succeed, and to develop an understanding of the business and its objectives. This module explores the induction process, what it involves, common obstacles and the benefits of induction for both the individual and the organisation.

In this Module

Videoscribe explainer video, with professional audio (duration: 04:40)

English Subtitles

11 Expanded learning content blocks in the module format

'Check my understanding'
5 Question knowledge check

Top Tips

1. The induction process requires time, effort and investment to be effective.
2. Provide new employees with a mentor to guide them through the process.
3. The entire induction process should be monitored from start to finish.
