

Management & Leadership

Managing Virtual Teams

Virtual teams work independently on a shared organisational purpose, using a range of technologies to communicate and collaborate. This module looks at the benefits and challenges of working in a virtual team, the importance of a clear communication plan and the role of the manager in ensuring the team's success.

Top Tips

1. Establish a clear work system that sets standards, while providing individuals with the freedom to complete tasks in a way that best suits them.
2. Hold regular meetings to create an engaging environment in which team members can interact.
3. Highlight and reward both individual and team success to increase motivation levels.
